

IN THE SPECIFICATION:

Please amend the specification as follows:

Paragraph beginning on page 5, at prenumbered line 17, has been amended as follows:

The middle section of the second assembling body 16 can be found with at least one second insertion slit 64. The middle section of the first partitioning slat 18 is formed with at least one split 82 having an open end. The present invention further includes a second partitioning slat ~~(no shown)~~ 19 with a certain length.
